

So you need some recommendations for membership in the
North Texas Roofing Contractors Association . . .

Recommendations by current NTRCA members are necessary in order to be approved for membership. You are required to have one **Contractor** member and one **Associate** member recommendation. If you don't happen to know any members, that can make it difficult to complete the application process!

Listed below are several of our members who would like to assist you. Give a couple of them a call and become acquainted. They will talk to you and may have a couple of questions to ask you. Send the name and company name of the person(s) you contact to membership@ntrca.com, and the membership director will send a recommendation request on your behalf.

Please contact Lisa Marino, Membership Director if you have questions. Lisa can be reached at 817-734-8373 or at membership@ntrca.com.
